with this all in one MFP

Easy lease the
Sharp
**MXC312
OR 402 MFP**

If you have other leased
equipment now, TOP
may be able to replace
with this all in one MFP

Terrific performance and outstanding full colour and black & white copy, print, scan & fax features make the MXC300W, MXC312 or MXC402 MFP the most complete, cost-effective solution for the busy **small to medium** office, department or workgroup. The MXC300W, MXC312 MFP or MXC402 MFP is the new standard of multifunctional, and the envy of our competitors. Standard network printing and **colour** scan to email, network etc., transform this already robust digital copier into the most reliable and cost-efficient multi functional network printer for your office or independent workgroups.
